

A Spectrum of Interventions: Sunshine Coast MET Design Forum: How might we increase urban change literacy and citizenship on the Sunshine Coast?

Promotion and Prevention	Early Intervention	Intervention	Post-Intervention
<p>Creating an aligned culture of sustainable urbanism.</p>	<p>General and targeted education that fosters sustainable urban change literacy and citizenship. Develop a critical mass of urban leaders</p>	<p>Targeted engagement and consultation about proposed plans and developments that increases literacy and citizenship.</p>	<p>Conflict as a vehicle to re engage around urban change literacy and citizenship.</p>
<p>Activate and promote places that can demonstrate a positive sustainable urban future:</p> <ul style="list-style-type: none"> • Aura – Could be 20 Minute neighbourhood • Britinya – 20 Minute Neighbourhood • Noosa National Park as a leading asset <p>Promote the regions design strengths; program into exhibitions with strong outreach programs</p> <p>Local cultural programs targeting key areas that can become leading sustainable urban communities. Develop an art district (See Sheffield Design / Creative Quarter), music festivals</p> <p>Demonstrate good outcomes and involve the community. Show what sustainability looks like and how it make life better. Partnership design awards aligned to what we are trying to achieve.</p> <p>Use a breadcrumbs and light bulbs model; points of inspiration and knowledge.</p> <p>Create demand for something better, name, nominate, vote who is responsible for delivering good and poor outcomes.</p> <p>Recognise youth can and do drive awareness</p>	<p>Education program for elected officials, increasing their ability to communicate sustainable urbanism and support community transitions</p> <p>Develop programs for community that increase critical thinking about sustainable urban futures.</p> <ul style="list-style-type: none"> • Implement a Design week • Program with schools / USC and TAFE. • Identify areas that we can genuinely co-create community outcomes and go beyond consulting. <p>Identify community champions and support community to connect with community. Invest in champions to develop awareness and understanding of issues.</p> <p>Ask the community the questions they want answered and what they want to learn about.</p> <p>How do we systematise community urban transition and align corporate and community strategies?</p>	<p>Use more creative responses that demonstrate potential lifestyle. Make consultation fun; music festivals, gigs, and go to where people are.</p> <p>Focus on creating trust and empowering community, ensure face to face and online modes, carry out communication in strategic places.</p> <p>Engage community on values. Ask vision for the future; what is important in a sustainable urban culture inclusive of all</p> <p>Demonstration and experiential projects: Easier engagement based around case studies, target schools, market places, shopping centres.</p> <p>Implement programs that build social capital, value the community and help with transition. A Community Combi with video recording equipment and travels to each SC town and village. Community record their story, what they want in the future, what is working, what is not? Stories of love, loos and connection.</p>	<p>Conflict remedies: Use conflict and the care and concern for our future to educate people about the challenges and solutions.</p> <p>COVID changes on the coast brought new city folk.</p>
